Letra

Shoplifter, you ll never learn When you commit the crime Shoplifter, you re getting burned And now you gotta do the time

It s a 1, 2, 3 on the felony Well not everything is free Now that you served the community It s the life of a petty thief

It s not considered stealing
Unless you re getting caught
But Jimmy be caught stealing
Tryin to take something you haven t got

Shoplifter, you ll never learn What lies behind your back Not a burgler or a bankrobber Just a kleptomaniac

It s not considered stealing
Unless you re getting caught
But Jimmy be caught stealing
Tryin to take something you haven t got

Shoplifter, you ll never learn When you commit the crime Shoplifter, you re getting burned And now you gotta do the time Oh now you gotta do the time Well now you gotta do some time
