

Tell Me When Its Time To Say I Love You
Green Day

So here is my Version of this beautiful song.

Its i think the perfect way to play it like Billie joe does.
Cause ive seen it on the Show he played it.

Green Day - Tell me when its time to say I love you

Gm **D**
Words get trapped in my mind,

Em7 **C9**
Sorry I dont take the time to feel the way I do.

Gm **D**
Cause the first day you came into my life,

Em7 **C9**
All time ticks around you

Gm **D**
But when I need your voice

Em7 **C9**
As the key to unlock the love trapped in me

Gm **D** **C9**
So tell me when it s time to say I love you.

Gm

C9 **Gm**
All I want is you to understand,

D **Gm**
That when I take your hand, it s cause I want to.

C9 **Gm**
We are all born even we re in doubt.

D
(But) There s no doubt,

I figured out...
I love you.

Gm **D**
Ive been longing for
Em7 **C9**
All the loser that were meant to take the time to say,
Gm **D**
What was really on their mind instead
Em7 **C9**
Any time away.

Gm **D** **Em7** **C9**
Yet they ll never have someone like you to back down and help along the way.
Gm **D** **C9**
Or tell them when it s time to say I love you.
Gm **D** **C9**
So tell me when it s time to say I love you.
