

Tell Me When Its Time To Say I Love You
Green Day

So here is my Version of this beautiful song.

Its i think the perfect way to play it like Billie joe does.
Cause ive seen it on the Show he played it.

Green Day - Tell me when its time to say I love you

Am **E**
Words get trapped in my mind,

F#m7 **D9**
Sorry I dont take the time to feel the way I do.

Am **E**
Cause the first day you came into my life,

F#m7 **D9**
All time ticks around you

Am **E**
But when I need your voice

F#m7 **D9**
As the key to unlock the love trapped in me

Am **E** **D9**
So tell me when it s time to say I love you.

Am

D9 **Am**
All I want is you to understand,

E **Am**
That when I take your hand, it s cause I want to.

D9 **Am**
We are all born even we re in doubt.

E
(But) There s no doubt,

I figured out...
I love you.

Am **E**
Ive been longing for
F#m7 **D9**
All the loser that were meant to take the time to say,
Am **E**
What was really on their mind instead
F#m7 **D9**
Any time away.

Am **E** **F#m7** **D9**
Yet they ll never have someone like you to back down and help along the way.

Am **E** **D9**
Or tell them when it s time to say I love you.
Am **E** **D9**
So tell me when it s time to say I love you.
