D
Well, that s all right mama

that s all right for you

that s all right now mama

Just any way you do

              G
That s all right

that s all right
              A
that s all right now mama
                    D
Any way you do

D
Well mama she done told me

Papa done told me too

Son that gal you re

foolin  with

She ain t no good for you, but

            G
That s all right

that s all right
              A
that s all right now mama
                  D
Any way you do

D  G  A  D
```

D
De de de de,

De de de de

De de de de

De de de de de de de
G
I need your lovin

That s all right
        A
that s all right now mama
           D
Any way you do.
