

Troubled Times  
Green Day

**Am** **G** **Dm** **F**  
What good is love and peace on earth?

**E**  
When it s exclusive?

**Am** **G** **Dm** **F**  
Where s the truth in the written word?

**E**  
If no one reads it

**Dm** **G**  
A new day dawning  
**C** **Am**  
Comes without warning  
**Dm** **E**  
So don t think twice

**Am** **F** **C** **G** **Am** **F** **C**

**Am** **G** **Dm** **F**  
What part of history we learned

**E**  
When it s repeated

**Am** **G** **Dm** **F**  
Some things will never overcome

**E**  
If we don t seek it

**Dm** **G**  
The world stops turning  
**C** **Am**  
Paradise burning  
**Dm** **E**  
So don t think twice
