

Troubled Times
Green Day

Am **G** **Dm** **F**
What good is love and peace on earth?

E
When it s exclusive?

Am **G** **Dm** **F**
Where s the truth in the written word?

E
If no one reads it

Dm **G**
A new day dawning

C **Am**
Comes without warning

Dm **E**
So don t think twice

Am **F** **C** **G** **Am** **F** **C**
We live in troubled times

E **Am** **F** **C** **G** **Am** **F** **C** **E**
We live in troubled times

Am **G** **Dm** **F**
What part of history we learned

E
When it s repeated

Am **G** **Dm** **F**
Some things will never overcome

E
If we don t seek it

Dm **G**
The world stops turning

C **Am**
Paradise burning

Dm **E**
So don t think twice

Am **F** **C** **G** **Am** **F** **C**
We live in troubled times

E **Am** **F** **C**
We live in troubled times

G **Am** **F** **C** **E**
We live in troubled times

We run for cover

C **G** **Am**

Like a skyscraper s falling down

F E

Then I wander like a troubled mind
