

When It's Time
Green Day

G **D/F#**
 Words get trapped in my mind,
Em **C**
 Sorry I don t take the time to feel the way I do.
G **D**
 Cause the first day you came into my life,
G **D**
 The time ticks around you

G **D/F#**
 But then I need your voice
Em **C**
 As the key to unlock all the love that s trapped in me

G **D** **G** **G7**
 So tell me when it s time to say I love you.

C **G**
 All I want is you to understand, that
D **G** **G/A** **G/B**
 when I take your hand, it s cause I want to.
C **G**
 We are all born in a world of doubt
D
 But there s no doubt, I figured out

C **G/B** **G/A**
 I love you.

(**G D C**)

(**Em C D**) (2x)
