

When Its Time
Green Day

When it s time:

[Verse]

G **D/F#**
 Words get trapped in my mind,
Em **Em/C** **C**
 Sorry I don t take the time to feel the way I do.
G **D**
 Cause the first day you came into my life,
G **D**
 The time ticks around you

G **D/F#**
 But then I need your voice
Em **Em/C** **C**
 As the key to unlock all the love that s trapped in me
G **D** **G** **G7**
 So tell me when it s time to say I love you.

[Chorus]

C **G**
 All I want is you to understand, that
D **G** **G** **G/A** **G/B**
 when I take your hand, it s cause I want to.
C **G**
 We are all born in a world of doubt
D
 But there s no doubt, I figured out

Cadd9 **Em7** **Asus4**
 I love you.

[Guitar solo]

G **D/F#** **Em** **C** **G** **D**

[Bridge]

G **D/F#**
 I feel lonely for
Em **Em/C** **C**
 All the losers that will never take the time to say,
G **D**
 What was really on their mind instead
G **Dsus4** **D**
 They just hide away

G **D/F#**
 Yet they ll never have

Someone like you to guide them and help along the way.

Or tell them when it s time to say I love you.

So tell me when it s time to say I love you.
