

Worry Rock
Green Day

E **B** **A** **E**
 Another sentimental argument and bitter love
A **E** **A** **B**
 Fucked without a kiss again and dragged in through the mud
E **B** **A** **E**
 Yelling at brick walls and punching windows made of stone
A **E** **A** **B**
 The worry rock has turned to dust and fallen on our pride.

C#5 **G#5**
 A knocked down dragged out fight
A **E**
 Fat lips and open wounds
C#5 **G#5** **F#5** **B**
 Another wasted night and no one will take the fall

E **B**
 Where do we go from here?
 A **E**
 And what did you do with the directions?
A **E**
 Promise me no dead end streets
A **Am** **E**
 And I ll guarantee we ll have the road
