Out Of The Storm
Green River Ordinance

Okay, so I tried tabbing this song, it s my first ever. I think it s a beautiful
song!

Here is my take on it, if you want to listen! :)

CAPO 4

INTRO: **D**, **G**, **D**, **A** (use low **F#** as bass).

D
I woke up this morning
      G
With a burning in my soul
D
Morning air it hit me
         A
Like it s never done before

D
I woke up this morning
      G
With a turning in my bones
D
All the things that I cant change
  A   **G**
I never let go of

G   **D**   **Bm**
You got me where you want me
Bm   **A**
You ve had me all along
G   **D**
I m learning the hard way now
          Bm   **A**
There s no easy way out of the storm
           G
Out of the storm

D   **G**   **D**
All I ve been chasing, God only knows
            A
Just where I ve been
D   **G**
Now I realize that I m a broken man
D   **A**   **G**
Million little pieces, you held right in your hand

```
G                         D              Bm
You got me where you want me
Bm                    A
You ve had me all along
G                         D
I m learning the hard way now
            Bm                        A
There s no easy way out of the storm
              G           G
Out of the storm

Bm     D                          A
     Suddenly I m falling in
Bm     D                          A
     Suddenly I m forgiven
Bm     D                          A
     Suddenly I m falling in
Bm     D                          A          G
     Suddenly I m forgiven

- Chorus -

G      D                          Bm
     Suddenly I m falling in
A                    G
     Out of the storm
G      D                      Bm
     Suddenly I m forgiven
A                              End on G
     Out of the storm
