GREEN RIVER

written by Harlan Howard

performed by Waylon Jennings

tab transcribed by Collins Crapo

E / / / 2 / / / 3 / / / 4 / /

Green River, I ve come back to you

A

Do you remember me

E

F#

B7

Do you remember Molly with the soft blue eyes?

E

I left here with a lot of dreams

A

None of them came true

B7

E

What I wanted was here waiting all the time

B

B7

E

Green River, did she come here every evening

B

B7

E

Like the neighbors said she did so faithfully

A

E

Green River, has she gone away forever?

F#

She just disappeared one day

B7

As she gave up on me

E

Green River, if you see her

A

Won t you tell her I ve returned?

E

F#

B7

All I brought her is myself and this little ring

E

Please tell her that I love her

A

And my lesson I have learned

B7

E

Green River, tell her please come back to me

You can also capo the 2nd fret if a B and B7 are too hard for you. Just play all the one full step higher.
