

## No More Sorry Songs Greenland Is Melting

This tab is slightly different from the one already available.  
Thanks for posting that tab ramp til. I learned to play this song from it,  
but after playing it many times I ve noticed an error or two and  
thought I d fix them

D (let it ring)  
Wellllllllllllllllllllllll

G C G  
I swear I m sick of sorry songs and sobbin on the phone  
C G  
and guitars can only distract you from yourself for so long.  
C G  
I Barely recognize the difference there between right and wrong,  
C G  
it come and goes and leaves me broke and God s the only one that knows  
G (once)  
it s not my fault I swear to God it s not my fault.

G C Am D G C Am D  
I ve been losing  
G C  
sleep and drugs and thoughts and time and tiny pieces of my mind  
G D  
that you borrowed without asking me though I don t need them right now,  
G C Am D G C Am D G C Am D  
I am so goddamned tired of  
G C  
all the lies we re tellin to ourselves.

Em C  
I keep a box in my room  
G  
filled with everything that you  
D Em  
ever gave me or anything that reminds me of you,  
C  
I keep it locked out of sight  
G  
with hopes that one day I might  
D Em

pluck up the courage to sit down and write this letter to you .

**C**

You ll keep it locked in a drawer by your bedside,

**G**

**D**

**Em**

you may never read it but it makes you glad to know that it s there,

**C**

and you ll stare at the words that I wrote

**G**

**D**

with my own two hands words I never had the courage to say,

**Em**

**C**

this is life, this is life, this is life

**G**

**D**

**Em**

at a pace that will crush us all right back to where we began,

**C**

this is hope, this is hope, this is hope,

**G**

**D**

in the form of a song that no one should ever hear.

**Em**

**C**

**G**

Nothing for certain though,

**D**

**Em**

only one thing I know is true,

**C**

**G**

I got all of these little things,

**D**

**C**

but he s still got you.

But don t you know that?
