D	X	X	0	2	3	2

Verse 1:

A **D**
I d probably kill you
F#m **B7** **E**
If I wasn t already wasted
A **D**
Might want to regret this
F#m **B7** **E**
We ll take the chance and not forget how
A **D** **F#m** **B7** **E**
I put you out of everybody s way
A **D**
You re just so damn fabulous
F#m **B7** **E**
You didn t even think of saving something

Chorus:

D **A** **E**
I want to be just like you but I can t sing
D **A**
You re something I thought of first
E
You just didn t make it
D **A**
You ended up just like me
E
But so much better

Verse 2:

A **D**

Can't keep my hands on

F#m

B7 E

The things I've learned off a long neck bottle

A

D

F#m

Why race in circles around the women I know

B7 E

And the things I bought them

A

D

F#m

B7 E

How I'd pay to someday find you

A

D

Two steps behind

F#m

B7

E

With your hands tied asking for something

Verse 3:

A

D

Might burn your house down

F#m

B7 E

If I was somehow sure your things were in there

A

D

F#m

B7 E

Wouldn't want to bring you anymore un-needed sympathy

A

D

F#m

B7 E

Bet you've never struggled on your own

A

D

Cause your people love you

F#m

B7

E

They would never dream letting you suffer

D E A

I'd probably kill you
