

## Whipped

Greg Bates

Hi Everyone! (: This is Whipped by Greg Bates! Hope yall enjoy this! This song is played in stadard tuning on the 4th fret! Im a girl so guys may need to lower the capo! (: This song is pretty easy to play! (:

G Cadd9 C  
Take my breathe no sunset like your smile,  
G Cadd9 C  
I never met a heart with such a since of style.  
Cadd9 C  
You put on a show, When you paint your lips.  
Cadd9 C  
For all I know your all this is.

G  
Like homemade cream on an apple pie,  
Cadd9  
Like a farmer workin' in mid july.  
C D  
Like a little boy said a dirty word, when his daddy gets home.  
G  
Like along the side of a 4-wheel line,  
Cadd9  
Yeah you got me and Im lovin it.  
G Cadd9 C G  
Yeah you got me, Whipped.

G	Cadd9	C
Running red lights just so I can see ya.		

G Cadd9 C  
When your away I spend my days day dreaming.  
Cadd9 C  
Your sweeter than a peach, right down to the pit.  
Cadd9 C  
Yeah your my favorite habbit, that I never want to quit.

**Cadd9**

**G**

Yea you got me right where I wanna be.
