

Rebels Goodbye
Greg Graffin

[Verse]

Em **C** **D** **D** (strike twice)
All the lilies were laid on the marble
Em **C** **D** **D** (strike twice)
in the field where the ancestors lay,
Em **C** **D** **D** (strike twice)
And the forest was dark and primeval
Am **G** **D** **D** (strike twice)
but the boughs seemed to cradle as they swayed,

Am **G** **D** **D** (strike twice)
And the church choir sang hallelujah,
Am **G** **D** **D** (strike twice)
and the vernal breeze whispered a sigh,
C **G**
Watch the brethren all stand,
C **G**
praise their God, raise your hand,
Am **D** **Em** **Em** (strike twice)
Tow the bell for the Rebel s goodbye x2

[Instrumental]

Em D Em G Am G D

[Chorus]

Am **G** **D** **D** (strike twice)
In the dark heathen barracks of failure
Am **G** **D** **D** (strike twice)
where the tormenters wait for the night,
C **G**
And the sheltering sky
C **G**
hears their lost, tattered cries,
Am **D** **Em** **Em** (strike twice)
Tow the bell for the Rebel s goodbye x2
