TAB BY: Karl, sweden

**C**  
Lost, confused, unseen and used  
**E7** **Am7**  
Dangerously fighting for nothing to lose  
**C**  
My progress is calling, its noticed I m falling  
Gadd11  
It s time for a change, it s time for a move

**C**  
And I know that its frightening  
**E7**  
But its also exciting  
**Am7**  
Im taking a risk  
Gadd11  
That I know is worth fighting its

**C Csus4 C**  
Better to make your mistakes

Gadd11

Than to live without knowing its

**C Csus4 C**

Gadd11

Better to fall on your face than to stay on your feet

**C**

**E7**

as long long long as you tried

**C**

Sometimes its hard to think my time here has ended

**E7**

**Am7**

It troubles me to think about who I ve offended

**C**

But I can t live my life, In the interest of those

Gadd11

Holding me back when I m stood on my toes

**C**

**E7**

But too many times I ve been risking my life

**Am7**

Gadd11

Making decisions whilst trying to be nice its

**C Csus4 C**

Better to make your mistakes

Gadd11

Than to live without knowing its

**C Csus4 C**

Gadd11

Better to fall on your face than to stay

**C**

Gadd11

on your feet as long long long, as long long long

**C**

Gadd11

as long long long, oohooohooo

**C Csus4 C**

Better to make your mistakes

Gadd11

Than to live without knowing its

**C Csus4 C**

Gadd11

Better to fall on your face than to stay

**C**

Gadd11

on your feet as long long long, as long long long

**C**

Gadd11

as long long long...

Thanks, I hope you enjoy it
