Too Young
Greg Holden

This is one of Greg s old songs from his Not My Living Room series that has
never been released, but I ll put a link to the YouTube demo-version after
the tab.

Greg Holden - Too Young

[Chords]
Csus2: 033010
C7: 030010

[Note: When you re transitioning from C or C7 to Csus2, hammer on the D string
with your
pinkie]

[Intro]
C Csus2 Am G

[Verse 1]
C   **Csus2**
At what point did you think this was a good idea
Am   **G**
Breaking all your branches to hide your fear
Am
Falling through the trees
Csus2
You paralyze your dreams
C
While faking every scene
G
Screaming out your white lies
Am
The damage has been done
Csus2
And I m afraid you haven t won
C
So come out with your hands up
G
Your children are too young
G
Your children are too young

[Chorus]
C   **C7**
Each and Everytime, I close my eyes
Csus2   **G**
I see these empty lies taking over

```
C                 C7
Each and Everytime, I close my eyes
Csus2             G
I see these empty lies taking over

[Break]
C Csus2 Am G

[Verse 2]
C
Where are all your friends?
Csus2
Who s going to save you now?
Am
Your bravery s gone and left you
G
But you ask how
Am
You gotten to be here
Csus2
You re fighting back the tears
C
Making wrong decisions
G
Wasting all these years
Am
Pointing all the signs
Csus2
To where excuses lie
C
Taking every short cut
G
Denying every crime
G
Denying every crime

[Chorus]
C                 C7
Each and Everytime, I close my eyes
Csus2             G
I see these empty lies taking over
C                 C7
Each and Everytime, I close my eyes
Csus2             G
I see these empty lies taking over

[Bridge]
Am
Taking over
Csus2
Taking over
```

C
Taking over
G
Taking over   x2

G

[Chorus]
C   **C7**
Each and Everytime, I close my eyes
Csus2   **G**
I see these empty lies taking over
C   **C7**
Each and Everytime, I close my eyes
Csus2   **G**
I see these empty lies taking over

C   **C7**
Each and Everytime, I close my eyes
Csus2   **G**
I see these empty lies taking over
C   **C7**
Each and Everytime, I close my eyes
Csus2   **G**
I see these empty lies taking over
G
Taking over
