

Small Change
Greg Kihn

Intro: **Asus4** over **D, D5, G**

D D5
Well, you may never cry, together I said?
G
But me I must be different 'cause I don't forget.
D D5
It hurts me when you lie. It makes me wonder why.
G
I'm standing on the backstreet of a lost goodbye.

D D5
It ain't fair. It's a treacherous slide
G
It'll turn your heart to get it if you don't know why.
D D5
I don't care, what the wise men say.
G
If you only got nothin' no one can take it away

A
Small Change (small change)
G D
In my pockets tonight
A
Ohhh, it's all strange.
G D A G
What can you get with small change

D D5 G
Oh, I want more and more now, I can't get high.
D D5 G
The power in my heart no longer gets me by.
D D5
My shoes have still got pride, my soles are on my side
G
They tell me not to worry let my conscience be my guide.
D D5
My feet would never lie, they walk until they die
G
They never have to follow 'cause they got no place to hide.
