Em **C**
And so it s back to it now

G
Enough turned out to be enough somehow

D
What the f- are you gonna do

Em
That was me, it wasn t you

Em **C**
I packed light, and got right out

G
Left a lot behind no

D
More rhymes and less words

Am
I will keep them tucked under

D **Am**
At least you have another way to go

D
At least you have another life to

Em C G D

Em **C**
And I have places for things again

G
From now on I ll hold more in

D
Turns out that I don t owe you sh-t

Em
And it was never my intention

Em **C**
To cause you harm or to make you sore

G
And I don t know what the final score is

D
All I know is

G
These days I m quite over it

D **Am**
At least you have another way to go

D
At least you have another life to

Em C G D

Am

D **Am**
At least you have another life to lose

D
At least you have another life to lose

Em C G D

Em **C**
And so it s back to it now

G
Enough turned out to be enough somehow
