Landline
Greg Laswell

G#7sus4 -> 464644
Eadd9 -> 022102
A6/**E** -> x02222

Intro: **Eadd9** -- **B** -- **A6**/**E** -- **Eadd9**

[VERSE 1]
G#m   **B**
I think the tree may fall in the front yard
G#7sus4   **E**
if this storm has it s way
G#m   **B**
I hear you dancing on the floorboards above
G#7sus4   **E**   **B**   **F#**
unaware of what s at stake

[CHORUS]
C#m   **B**   **F#**
All I ever needed was a landline
C#m   **B**   **F#**
just in case the power lines go down
C#m   **E**   **B**   **F#**
All I needed would never be enough for me

[VERSE 2]
G#m   **B**
I think the storm may take the screen door
G#7sus4   **E**
if the wind gets it s way
G#m   **B**
I hear you singing on the floor just below
G#7sus4   **E**   **B**   **F#**
unaware of what s at stake

[CHORUS]
C#m   **B**   **F#**
All I ever needed was a landline
C#m   **B**   **F#**
just in case the power lines go down
C#m   **E**   **B**   **F#**
All I needed would never be enough for me

All I ever needed was a landline
just in case the power lines go down
All I needed would never be enough for me

All I ever needed was a landline

just in case the power lines go down

```
B                              F#                                      C#m
All I needed would never be enough for me
                                      E
All I needed would never be enough for me
B                              F#                                      C#m
All I needed would never be enough for me
                                  E
All I needed would...
All I needed would never be enough for me
All I needed would never be enough for me
```
