

Take Everything
Greg Laswell

I know you re going to be saying two things so let me cover those,

1) This is not the cover of Mazzy Star that Greg Laswell did, this is his original song

2) I know the chords with * aren t relative to the capo, but that s the way that I find easiest.

So with that in mind here are the chords. I m working on the solos during the bridge so bear with me on those.

Capo 1st fret!!!

- Verse 1 -

E **A**
You say the sky is green
I don t know what you mean
Your lies were always clear

- Pre-Chorus 1-

D A **E**
But I don t mind
No I don t mind
D A **E** **A**
I don t mind

- Chorus 1 -

D5* **D#5***
Go on and take everything from me and more
Go on and take everything from me and more

* = Not relative to capo

- Verse 2 -

E **A**
You say the sky is blue
As long as I m with you
Funny then what did you go do

- Pre-Chorus 2 -

D A **E**
But i don t mind
No i don t mind
D A **E** **A**
I don t mind

-Chorus 2 -

D* **D#***

Go on and take everything from me and more
Go on and take everything from me and more
Go on and take everything from me and more

- Bridge 1 -

A D#* A D#* C* F*

(I reccomend the normal A to barre chord D# 6th fret and barre chord C 3rd fret to barre chord F 8th fret all on A string of course)

- Verse 3 -

E **A**
You have your reasons why
You ve got them all in line
You think that I am blind

- Pre-Chorus 3 -

D A E
But I don t mind
No I don t mind
D A E A
I don t mind

- Chorus 3 -

D5* D#5*
Go on and take everything from me and more
Go on and take everything from me and more
Go on and take everything from me and more

- Bridge 2 -

A D#* A D#* C F*

- Chorus 4-

D5* D#5*
Go on and take everything from me and more (take everything)
Go on and take everything from me and more (take everything)
Go on and take everything from me and more (go on and take everything)
Go on and take everything from me and more
