Greg Laswell

[Chords]

A x022xx
F#m/A x042xx
E/A x021xx

[Verse 1]

C#m **E**
Does anyone know where the new guy went?
C#m **E**
He kicked down the front door and took off again
C#m **E**
I don't know how he will ever win
C#m **E**
But the man I used to know loved an argument

[Pre-Chorus]

F#m **C#m**
I think he believes that I'm a billionaire
E **B**
And that I've a new house that's up in the air
F#m **C#m**
One day soon I might drive him there
E **B**
I think he needs to get out of town

[Chorus 1]

F#m **C#m**
But what do I know?
E **B**
What do I know?
F#m **C#m**
What do I know?
E **B**
What do I know?

[Verse 2]

C#m **E**
Does anyone know where the new guy went?

The man I used to know would never give in
