

All There Is
Gregory Alan Isakov

capo 2

intro: **D**

D
all the lights have changed,
D
coming back into the city,
G **D**
driving homeward slow.

D
shimmer like you do to me
D
we laugh at all those changing trees,
G **D**
autumn is fallin down again
G **D**
out of this blue sunday dream.

D
come to me with your smoky mouth,
D
raindrops fall on this old town,
G **D**
its been me and you whoâ€™ve been fallin round.

G **D**
well i lyed to you when i knocked upon your door
G **D**
see i was nowhere near your neighborhood.

E
but if this is all in our minds,
G **D** **A**
its all in our minds honey would you mind getting out of mine
E
if this is all in our heads,
G
well now its screaming red,
D **F#**
watching the leaves fall down and laugh at us instead
G Bm G D
mmmm-mm-mmmmm
