Am7 **C** **D**
I woke up with my head on a bee s nest
C **Am7**
And my feet on your jacket
C **D** **C** **Am7**
It was a wild it was a wrong it was a long long night
C **D**
And your lips like little stings
C **Am7**
Set me to wondering
C **D**
If there s anyway and anytime
C
I could have, I would have tried
D
I had you back but then you ran
C
Like you never ever knew me
D
Fall into my arms again
C
Like you always wanted to
D
You always wanted to
C **D**
But you never ever knew

I woke up with my mind on a reason
For why it s right to be leavin you
Until we re drawn into the swarm
Of a warm white tide
And your lips like little stings
Set me to wondering
If there s anyway and anytime
I could have, I would have tried

Am7
G **C**
And now you find it s harder
Am7 **G** **C** **Am7**
to see the future so clearly
G **C** **Am7**
will it always be

G C Am7

will it always be

G

will it always be
