_____

   Bm7   **D**   **E**
I woke up with my head on a bee s nest
       D   **Bm7**
And my feet on your jacket
         D   **E**   **D**   **Bm7**
It was a wild it was a wrong it was a long long night
        D   **E**
And your lips like little stings
 D   **Bm7**
Set me to wondering
         D   **E**
If there s anyway and anytime
                           D
I could have, I would have tried

                    E
I had you back but then you ran
              D
Like you never ever knew me
            E
Fall into my arms again
          D
Like you always wanted to
       E
You always wanted to
          D   **E**
But you never ever knew

I woke up with my mind on a reason
For why it s right to be leavin you
Until we re drawn into the swarm
Of a warm white tide
And your lips like little stings
Set me to wondering
If there s anyway and anytime
I could have, I would have tried

Bm7
     A   **D**
And now you find it s harder
   Bm7   **A**   **D**   **Bm7**
to see the future so clearly
        A   **D** **Bm7**
will it always be

```
          A          D   Bm7
will it always be
          A
will it always be
```
