### Gregory and the Hawk

**Ebm** **F#**  
So you think you do no harm  
**B**  
I caught you once when you were young  
**Ebm** **F#**  
So you think I d benefit  
**B**  
But a curse is what you make of it

**G#m** **B**  
Oh, I will greet you when  
**G#m**  
Someone feeds you sin  
**G#m** **B**  
Like my own  
**Ebm F# B**  
I will need you then

**Ebm** **F#**  
Without you I have no doubt  
**B**  
I d have grown up with an angel s mouth  
**Ebm** **F#**  
Well, here we are, so tightly wound  
**B**  
Catapult this stone to hit the clouds

**G#m** **B**  
Oh, I will greet you when  
**G#m**  
Someone feeds you sin  
**G#m** **B**  
Like my own  
**G#m**  
I will need you then  
**B Ebm B Ebm**  
Like an inhalation

**B** **G#m**  
Oh, I will greet you when  
**B**  
Someone feeds you sin  
**B**  
Like my own
