Gregory and the Hawk

**Gm** **Bb**  
So you think you do no harm  
**Eb**  
I caught you once when you were young  
**Gm** **Bb**  
So you think I d benefit  
**Eb**  
But a curse is what you make of it

**Cm** **Eb**  
Oh, I will greet you when  
**Cm**  
Someone feeds you sin  
**Cm** **Eb**  
Like my own  
**Gm Bb Eb**  
I will need you then

**Gm** **Bb**  
Without you I have no doubt  
**Eb**  
I d have grown up with an angel s mouth  
**Gm** **Bb**  
Well, here we are, so tightly wound  
**Eb**  
Catapult this stone to hit the clouds

**Cm** **Eb**  
Oh, I will greet you when  
**Cm**  
Someone feeds you sin  
**Cm** **Eb**  
Like my own  
**Cm**  
I will need you then  
**Eb** **Gm Eb Gm**  
Like an inhalation

**Eb** **Cm**  
Oh, I will greet you when  
**Eb**  
Someone feeds you sin  
**Eb**  
Like my own
