

Isabelle

Gregory and the Hawk

I couldnt find any chords for this song so i attempted to make my own
its reallyyyy simple
enjoy!

F **EM**
Now it s just you two
G **AM**
in a world of poems and paintings
F **EM**
I guess this means I m through
G **AM**
it also means I m breaking
F **G**
but Isabelle what can I do
EM **AM**
if I m caught in him, this man you love?
F **EM**
and Isabelle what can I do
G **AM** **F**
if his strong hands make it hard to shove him away?

C **G**
and I know it s hard
AM **EM**
to picture it up here
C **EM** **G**
in your tobacco strewn back yard
C **AM** **G** **EM**
and it is kinda tiresome to keep an eye on him
AM **G** **C**
just look what he s done so far

F **EM**
but Isabelle what can I do?
G **AM**
the last thing I need is to end up askew
F **G**
and Isabelle what can I do?
EM **AM**
the prophets make it difficult
F **G**
Isabelle what can I do
EM **AM**
in the few weeks time you re out of sight?

F **EM**
and Isabelle what can I do
G **AM** **F**
just because it feels alright?

C **G**
and the grounds already hard
AM **EM**
where its been dug in
C **EM** **G**
I ve gone this way too many times
C **AM**
but the pit keeps going deeper
G **C**
and I m not turning back
AM **G** **C**
so Isabelle try to understand

F **EM**
I know just what to say
G **AM**
but it s incorrect to say it
F **EM**
how do I break it to him?
G **AM**
the death of one is staying
F **G**
and all I think of now
EM **AM**
is a way to get under and a way to get out
F **EM**
Isabelle what can I do

G **AM** **F**
with the knife pain it s causing you?
