

**A Change Is Gonna Come**  
**Greta Van Fleet**

[Intro] **F Em Am**  
**F Em Am**

**C C**  
I was born by the river, in a little tent  
**Dm Am**  
And just like the river baby, I've been running ever since  
**C Dm**  
It's been a long, a long time coming  
**F Em Am**  
And I know a change is gonna come

**C C**  
It's been too hard living, but I'm afraid to die  
**Dm Am**  
Cause I don't know what's up there baby, beyond the sky  
**C Dm**  
It's been a long, a long time coming  
**F Em Am**  
And I know a change is gonna come

**Dm C**  
Then I go down to my brother  
**Dm Am**  
And I say: Brother, help me please  
**Dm Am**  
But he winds up knockin' me back down  
**Dm G**  
On my knees, yeah!

**C C**  
There been times that I thought I couldn't last for long  
**Dm Am**  
But now I think I'm able to carry on  
**C Dm**  
It's been a long, a long time coming  
**F Em Am C**  
And I know a change is gonna come, oh yes it will  
**C Dm**  
It's been a long, a long time coming  
**F Em Am C**  
And I know a change is gonna come, oh yes it will  
**C Dm**  
Well, it's been a long, a long time coming

**F Em Am F Em Am F Em Am**  
And I know change is gonna come, change

**F Em Am**

**F Em Am**

I know it, I know it, I know, I know, I know. Change

**F Em Am**

**F Em Am**

**F Em Am**

A change is gonna come! Uhhhh! Ohh woh woohh!
