

Rolling In The Deep  
Greta Van Fleet

**Bm** **F#m**  
There s a fire burning in my heart  
**A** **F#m** **A**  
Reaching a fever pitch and that s bringing me out the dark  
**Bm** **F#m**  
Finally I can see you crystal clear  
**A** **F#m** **A**  
Go ahead and sell me out and I ll lay your ship bare  
**Bm** **F#m**  
See me leaving with every piece of you  
**A** **F#m** **A**  
Don t underestimate the things that I will do  
**Bm** **F#m**  
There s a fire burningin my heart  
**A** **F#m** **A** **G**  
Reaching a fever pitch and that s bringing me out the dark  
  
**G** **A** **F#m**  
The scars of your love remind me of us  
**G**  
They keep me thinking that we almost had it all  
**A** **F#m**  
The scars of your love they leave me breathless  
  
They keep me thinking  
  
**Bm** **A**  
We could have had it all  
**G** **A**  
Rolling in the deep  
**Bm** **A**  
You had my heart inside of your hand  
**G** **Bm**  
And you played it to the beat  
  
**F#m**  
Throw your soul through every open door  
**A** **F#m** **A**  
Count your blessings to find what your looking for  
**Bm** **F#m**  
Turned my sorrow into treasured gold  
**A** **F#m** **A** **G**  
You ll pay me back in kind and reap just what you sow  
  
**G** **A** **F#m**  
The scars of your love remind me of us

**G**

They keep me thinking that we almost had it all

**A**

**F#m**

The scars of your love they leave me breathless

They keep me thinking
