

**Watching Over**  
**Greta Van Fleet**

[Verse 1]

**Am C D Dsus2 Dsus4 D**  
Many long years amongst the trees  
**Am C D Dsus2 Dsus4 D**  
Many long years in the ground  
**Am C D Dsus2 Dsus4 D**  
To be with one that s never seen  
**Am C D Dsus2 Dsus4 D**  
The one that stands and watches over

[Chorus]

**Em A**  
I wonder when we ll realize  
**Em A**  
This is what we got left  
**Em A**  
And it s our demise  
**Em A**  
With the water rising  
**Em A**  
And the air so thin  
**Em A**  
Still the children smiling  
**Em A**  
Can we see no sin?

[Verse 2]

**Am C D Dsus2 Dsus4 D**  
This is what we all have seen  
**Am C D Dsus2 Dsus4 D**  
Too many years tearing down  
**Am C D Dsus2 Dsus4 D**  
Even though we couldn t believe  
**Am C D Dsus2 Dsus4 D**  
It s only clearer in a mirror now

[Chorus]

**Em A**  
I wonder when we ll realize  
**Em A**  
This is what we got left  
**Em A**  
And it s our demise  
**Em A**

With the water rising

**Em**            **A**

And the air so thin

**Em**            **A**

Still the children smiling

**Em**            **A**

Can we see no sin?

**Em**            **A**

See no sin

**Em**            **A**

Say no sin

**Em**            **A**

Oh woah woah

**Em**            **A**

Ah ah ah ah ah

**Em**            **A**

Ah ah ah ah ah

**Em**            **A**

Ah ah ah ah ah

**Em**            **A**

Ah ah ah ah ah, no!
