C (C/B) Am
I had a big black Pon - ti - ac,
(Am/E) F C Gsus4
She burned a little oil, but she flew,

C (C/B) Am
We had it all there in the back,
(Am/E) F (F/A) G Gsus4 G
Baby, I burned for you,

Am F C C/B Am
We were bullet-proof, we were bathed in the neon glow,
F G C
Underneath the stars... of love and Texa - co!

C C/B) Am
You had a long dark hist - o - ry,
(Am/E) F C Gsus4
Hummm - mm - mm, some of it was even true,

C (C/B) Am
Baby, you were enough for me,
(Am/E) F (F/A) G Gsus4 G
I tried to be enough for you,

Am F C C/B Am
We were bullet-proof, no - body ever told us no,
F G C
Didn t need nothing... but love and Texa - co!

(C/E) F C (C/E) (C/D) C
Every night, when the trucks d roll by,
F G Am7 G/B
We d gas her up, a kiss for luck, and we d let... her... fly---!

C (C/B) Am
 I have a sweet, sweet mem - o - ry,
 (Am/E) F C Gsus4

Of a boy I used to know,

C (C/B) Am
 Baby, it s still a mys - te - ry,
 (Am/E) F (F/A) G Gsus4 G

How I ever could ve let him go,

Am F C C/B Am
 And we were... living proof, that life is a long hard road,
 F G C C/G C

And you can t run forever... on love and Texa - co!

C (C/B) Am
 Just a little cash, cigarettes and gas,
 (Am/E) F G C C/G
 Ooo, yeah, love and Texa - co!
