F#m7 B7
Isn t so right you and I walkin this
F#m7 B7 E
close down a moonlit lane
F#m7 B7
Isn t so fine to believe in somethin
F#m7 B7
that will never change

E F#m7 E/G# Aadd9
Come December time of year,
F#m7 B7 E
That s when they say it starts
E F#m7 E/G# Aadd9
Every day I spend with you

is Christmas in my heart

[Verse 2]

E F#m7 E/G# Aadd9
Perfect strangers share their smiles
F#m7 B7 E
As we go caroling
E F#m7 E/G# Aadd9
Children dream their dreams tonight

Of what Santa s gonna bring

[Chorus 2]

F#m7 B7
Isn t so great that we have each other s
F#m7 B7 E
love to keep us warm

F#m7 B7

We don't have to wait for the bells to ring

It happens all year long

E F#m7 E/G# Aadd9

Yuletide stars hang in the sky,

F#m7 B7 E

like diamonds in the dark

E F#m7 E/G# Aadd9

And every night I spend with you

F#m7 B7 E

is Christmas in my heart

E F#m7 E/G# Aadd9

Come December time of year,

F#m7 B7 E

That's when they say it starts

E F#m7 E/G# Aadd9

Every day I spend with you

F#m7 B7 E

is Christmas in my heart
