

## Radio Silence

Gretta Ray

[Verse 1]

**G**

Did I hurt you that bad, babe?

**C**

Did I really mess this up?

**Em**

Swear I intended to tread lightly

**D**

But still, I woke the beast in you

**G**

See, I was hoping to save us

**C**

I pointed out the dark clouds

**Em**

But you ran into the rain anyway

**D**

And now there s no way out

[Pre-Chorus]

**Em D**

It s not the storm that I can t stand

**G**

It s in your reticent manner, man

**Em**

I think we both know

**D**

**C**

That the ball is in your court

[Chorus]

**G**

**C**

Honey, it kills me, the radio silence

**Em**

I never saw us here

**D**

**C**

In a world where our lips are sealed

**D**

It s harder to heal

**G**

**C**

When honey it kills me, all of this quiet

I never thought you d

**Em**

**D**

Go out of your way to stay out of mine

**C**

But I m putting my money on time

[Verse 2]

**G**

All my sorries were useless, so I ll hold my breath

**C**

Wait it out and leave you be with all your rage

**Em**

In your lonely and lovelessness

**D**

It s hard to be the one to save you

**G**

Our peers talk of you only in passing

**C**

Censoring their stories of your pain

**Em**

But I know all about your bad nights

**D**

Tendency to slight at the mention of my name

[Pre-Chorus]

**Em**

I willingly take all the blame

**D**

**C**

But the ball is in your court

[Chorus]

**G**

**C**

Honey, it kills me, the radio silence

**Em**

I never saw us here

**D**

**C**

In a world where our lips are sealed

**D**

It s harder to heal

**G**

**C**

When honey it kills me, all of this quiet

I never thought you d

**Em** **D**

Go out of your way to stay out of mine

**C**

**G**

**C**

But I m putting my money on time

**Em D C**

Put all my money on time

[Bridge]

**F**

But with the way it all played out

Was there ever a hope in hell

**G**

That you d keep close

Sit tight and take it well? No

**Em** **D**

It is a pipe dream at best that you might

**G**

Ever get your head around

How it all went down

**F**

Though I live guilt-ridden  
Wouldn't dare to take it all back

**G**

**D**

As I'd not be where I stand

**C**

**D**

Nor who I am or where I need to be

[Pre-Chorus]

**G**

But that will never be heard, babe

**C**

Till the day comes when you love again

**Em**

Maybe the saddest, but best part is

**D**

She'll hold you tighter than I ever did back then

[Chorus]

**G**

**C**

Honey, it kills me, the radio silence

**Em**

I never saw us here

**D**

**C**

In a world where our lips are sealed

**D**

It's harder to heal

**G**

**C**

When honey it kills me, all of this quiet

I never thought you'd

**Em**

**D**

Go out of your way to stay out of mine

**C**

**G**

**C**

But I put all my money on time

**Em D C**

Put all my money on time
