C G F C  
We ll do it all, everything, on our own

C G F C  
We don t need anything, or anyone

C G  
If I lay here, if I just lay here

F C  
Would you lie with me, and just forget the world

C G F C  
I don t quite know how to say how I feel

C G F C  
Those three words, I said too much, but not enough

C G  
If I lay here, if I just lay here

F C  
Would you lie with me, and just forget the world

C G  
Forget what we re told, before we get too old

F C  
Show me a garden that s bursting into life

C G F C  
Let s waste time, chasing cars, around our heads

C G F C  
I need your grace to remind me, to find my own

C G  
If I lay here, if I just lay here

F C  
Would you lie with me, and just forget the world

C G  
Forget what we re told, before we get too old

F C  
Show me a garden that s bursting into life

C G  
All that I am, all that I ever was

F C  
Is here in your perfect eyes, they re all I can see

C G  
I don t know where, confused about how as well

F C
