

**How To Save a Life**  
**Grey's Anatomy**

**G** **D**  
Step one you say we need to talk  
**Em** **D** **D** **G**  
He walks you say sit down it s just a talk  
**D** **Em**  
He smiles politely back at you  
**D** **D** **G**  
You stare politely right on through  
**D** **Em**  
Some sort of window to your right  
**D** **D** **G**  
As he goes left and you stay right  
**D** **Em**  
Between the lines of fear and blame  
**D** **D**  
And you begin to wonder why you came

**C** **D** **Em**  
Where did I go wrong, I lost a friend  
**G** **D**  
Somewhere along in the bitterness  
**C** **D** **Em**  
And I would have stayed up with you all night  
**G** **D** **C**  
Had I known how to save a life

**G** **D**  
Let him know that you know best  
**Em** **D** **D** **G**  
Cause after all you do know best  
**D** **Em**  
Try to slip past his defense  
**D** **D** **G**  
Without granting innocence  
**D** **Em**  
Lay down a list of what is wrong  
**D** **D** **G**  
The things you ve told him all along  
**D**  
And pray to God he hears you

**C** **D** **Em**  
Where did I go wrong, I lost a friend  
**G** **D**  
Somewhere along in the bitterness  
**C** **D** **Em**

And I would have stayed up with you all night

**G D C**

Had I known how to save a life

**G D**  
As he begins to raise his voice

**Em D D G**  
You lower yours and grant him one last choice

**D Em**  
Drive until you lose the road

**D D G**  
Or break with the ones you've followed

**D Em**  
He will do one of two things

**D D G**  
He will admit to everything

**D D G**  
Or he'll say he's just not the same

**D**  
And you'll begin to wonder why you came

**C D Em**  
Where did I go wrong, I lost a friend

**G D**  
Somewhere along in the bitterness

**C D Em**  
And I would have stayed up with you all night

**G D C**
