Α

Please don t break it

D

Please don t break it

```
Em
   Cause all along it s been you on my mind
Something special about you
            Em
Is hard to find
I know every girl s searching for romance
And i m wondering
If you would take a chance
              C
On a guy like me with a girl like you
Α
Oh, could you ever see
A guy like me with a girl like you
Like you, like you!
