

**Little London Girl**  
**Greyson Chance**

Hey! these chords i got whilst listening to the song so they may not be perfect but it sounds alright. this is the right key of the actual version.

**D A**  
I shut the door and I step outside

**G Bm A**  
Its close to midnight and the fog is in and the streetlights

**D A**  
The sound of Big Ben, it reminded me

**G Bm A**  
It was only yesterday when we first met in that cafe

**Bm A**  
And our worlds entwined

**D G Bm A**  
Ooooooh dont you know

**D G Bm A**  
Im gonna shout it from the rooftops now baby, Im ready to go

**D G Bm A**  
Ooooooh dont you know

**D G**  
It doesnt matter if the suns going down on me

**Bm A D**  
You light my world my little London girl

**D A**  
Sunglasses on, you take me to Camden town

**G Bm A**  
As you share your headphones with the kinks and the rolling stones

**D A**  
As you walk around, in your leather boots

**G Bm A**  
All the boys are staring but youre not caring cuz youre so rock and roll,

**Bm A**  
so rock and roll woahhhh

**D G Bm A**  
Ooooooh dont you know

**D G Bm A**  
Im gonna shout it from the rooftops now baby, Im ready to go

**D G Bm A**  
Ooooooh dont you know

**D G**  
It doesnt matter if the suns going down on me

**Bm**                      **A**                      **D**  
You light my world my little London girl

**G**  
You light my world

**D**  
You light my world

G	A
You	light my world

**A**  
You light my worlddd

**A**  
You light my worlddddddddddd worlddddddddddd

D                      G                      Bm                      A

Ooooooh dont you know

D                      G          Bm

**A**

Were gonna shout it from the rooftops now baby, are you ready to go

D                      G                      Bm                      A

Ooooooh dont you know

D G

It doesnt matter if the suns going down on me

Bm                      A                      D

You light my world my little London girl

**D**                      **G**                      **Bm**                      **A**  
Ooooooh dont you know

D                      G          Bm                      A

Im gonna shout it from the rooftops now baby, Im ready to go

**D**                      **G**                      **Bm**                      **A**  
Ooooooh dont you know

D G

It doesnt matter if the suns going down on me

Bm                      A                      D

You light my world my little London girl
