Summertrain  
By Greyson Chance  
Hold on Tilâ€™ the night [Album]

Capo on 6th Fret

Intro:  
**Am F C G**

**Am** **F** **C** **G**  
Come with me for a little ride, see the shadows passing by  
**Am** **F** **C** **G**  
Look at the sun and see the clouds turn to faces in the sky  
**Am** **F** **C** **G**  
We ve been awake all night, shattered dreams all around  
**Am** **F** **C** **G**  
Close your sad, sad eyes we will be safe and sound

**Am** **F** **C** **G**  
Come with me for a little ride, see the shadows passing by  
**Am** **F** **C** **G**  
Look at the sun and see the clouds turn to faces in the sky  
**Am** **F**  
Daydreaming lightly through the rain  
**C** **D**  
All s forgiven on a summer train

**Am** **F** **C** **G**  
Come with me for a little ride, see the shadows passing by  
**Am** **F** **C** **G**  
Seems we are a thousand miles away from last night  
**Am** **F** **C** **G**  
As you sigh in my ear, kiss the rain goodbye

**Am** **F** **C** **G**  
Come with me for a little ride, see the shadows passing by  
**Am** **F** **C** **G**  
Look at the sun and see the clouds turn to faces in the sky  
**Am** **F**  
Daydreaming lightly through the rain  
**C** **G**  
All s forgiven on a summer train

**Am** **F** **C** **G**  
 Come with me for a little ride, see the shadows passing by  
**Am** **F** **C** **G**  
 Come away with me, it s gonna be all right just breathe  
**Am** **F** **C** **G**  
 Come away with me, it s gonna be all right you ll see

Bridge:

**Am** **F**  
 And the windows are crying and this train is flying us  
**C** **G**  
 all through the rain, I fear  
**Am** **F**  
 And the sky is getting brighter with every mile  
**C** **G**  
 And it all seems clear

**Am F C G**

Chorus:

**Am** **F** **C** **G**  
 Come with me for a little ride, see the shadows passing by  
**Am** **F** **C** **G**  
 Look at the sun and see the clouds turn to faces in the sky  
**Am** **F**  
 Daydreaming lightly through the rain  
**C** **G**  
 All s forgiven on a summer train

**Am** **F** **C** **G**  
 Come with me for a little ride, see the shadows passing by  
**Am** **F** **C** **G**  
 Come away with me, it s gonna be all right just breathe  
**Am** **F** **C** **G**  
 Come away with me, it s gonna be all right you ll see

**Am** **F** **C** **G**  
 Come away with me, it s gonna be all right just breathe  
**Am** **F** **C** **G**  
 Come away with me, it s gonna be all right you ll see  
**Am F C G (x2)**

**Am**  
 Come away with me
