Greyson Chance

Summertrain  
Greyson Chance

The song is in Eb. There are two guitar parts. Both are charted below.

Guitar 1: Capo 1

| Dm | Bb | F | C | Dm | Bb | F | C |

Dm                                Bb                                F                C  
Come with me for a little ride, see the shadows passing by  
Dm                                Bb                                F                C  
Look at the sun and see the clouds turn to faces in the sky  
                             Dm                F                                Bb                A  
We've been awake all night, shattered dreams all around  
                             Dm                F                                Bb                A  
Close your sad, sad eyes we will be safe and sound

Dm                                Bb                                F                C  
Come with me for a little ride, see the shadows passing by  
Dm                                Bb                                F                A  
Look at the sun and see the clouds turn to faces in the sky  
Dm    F  
Daydreaming lightly through the rain  
Bb                                C  
All's forgiven on a summer train

Dm                                Bb                                F                C  
Come with me for a little ride, see the shadows passing by  
                             Dm                F                                Bb                A  
Seems we are a thousand miles away from last night  
                             Dm                F                                Bb                A  
As you sigh in my ear, kiss the rain goodbye

Dm                                Bb                                F                C  
Come with me for a little ride, see the shadows passing by  
Dm                                Bb                                F                A  
Look at the sun and see the clouds turn to faces in the sky  
Dm    F  
Daydreaming lightly through the rain  
Bb                                C  
All's forgiven on a summer train

Dm                                Bb                                F                C  
Come with me for a little ride, see the shadows passing by  
                             Dm                Bb                                F                C  
Come away with me, it's gonna be all right just breathe  
                             Dm                Bb                                F                A

Come away with me, it s gonna be all right you ll see

**Dm** **F**  
And the windows are crying but this train is flying us  
**C** **Dm**  
All through the rain, I fear

**Bb** **F**  
And the sky is getting brighter with every mile

**C** **A**  
And it all seems clear

| **Dm** | **Bb** | **F** | **C** |

**Dm** **Bb** **F** **C**  
Come with me for a little ride, see the shadows passing by  
**Dm** **Bb** **F** **A**  
Look at the sun and see the clouds turn to faces in the sky (Woh)  
**Dm** **F**  
Daydreaming lightly through the rain  
**Bb** **C**  
All s forgiven on a summer train

**Dm** **Bb** **F** **C**  
Come with me for a little ride, see the shadows passing by  
**Dm** **Bb** **F** **C**  
Come away with me, it s gonna be all right just breathe  
**Dm** **Bb** **F** **A**  
Come away with me, it s gonna be all right you ll see  
**Dm** **Bb** **F** **C**  
Come away with me, it s gonna be all right just breathe  
**Dm** **Bb** **F** **A**  
Come away with me, it s gonna be all right you ll see

| **Dm** | **Bb** | **F** | **C** | **Dm** | **Bb** | **F** | **C** |
