Greyson Chance - Sunshine And City Lights

Sorry if i got the lyrics wrong bcs i wrote the lyrics based on his live performance in oregon.

The chord that used in here is simple, **A**, **D**, **E**, **C#m**, And **F#m**

Tip:

When you play the bridge, try to use D Barre (57755) and E Barre (79977) instead of usual D and E.

Anyway, here it is:
