

You Might Be The One
Greyson Chance

[Verse 1]

C **G**
Some people call me Crazy, but i don t think im crazy
Am
To believe that you and me could be something
F **G**
To believe that you and me could be something
C **G**
Some people say you re no good but they don t know what s good for me
Am
If it isn t you then i don t need nothing
F **G**
If it isn t you then i don t need nothing

[Refrain]

C
When the lightning strikes and rains come down
G
I ll dance in your storm
Am
When the thunder roars and the darkest night
F **G**
I see the light you bring me back home

[Chorus]

C **G**
I feel fire burning my soul
F **G**
that s how i know, that s how i know
C **G**
It s like desire, pulling me in
F
That shouldn t go oh oh
G
that s how i know
F **G** **C**
That i am sold, that you might be the one

[Verse 2] (chords of verse 1)

Some people think it s stupid
but i don t think it s stupid
to be young and put yourself over me
don t need directions this is where i wanna be

(refrain)
