 You will always be, you will always be, you will always be my girl

Am **G** **C**
So when I m walking down the road and feeling fine, Can t understand the
G **C**
things you do.

Am **G** **C**
Nothing turns out the way we planned
G **C**
You re still my baby and I m still you re man

Am **G** **C**
Save me from myself
G **C**
You got my back when I need help

Am **G** **C** **G** **C**
It s no one else in the world. You will always be my girl
