CRAZY FOR YOU

**G** **D**  
I think you know, Iâ€™ll write you any song you want to hear

**G** **D**  
I think you know, how fragile my fear is

**G** **D**  
I think you know, how easy I get blue

**A** **D**  
I think you know Iâ€™m crazy for you

**G** **D**  
I think you know youâ€™re an angel when you sleep

**G** **D**  
Oh how I watch you and I wonder what youâ€™re dreaming

**G** **D**  
See the corner of your mouth crack a smile whatâ€™s it meaning

**A** **D**  
It means you know I â€™m crazy for you

**G** **D**  
Thereâ€™s something about you I just canâ€™t put my finger on

**D**  
and when the love starts oooh

**G**  
thereâ€™s a sweetness running wild, it lights up the room

**D**  
Hold on honey, I think Iâ€™m falling for you

**A** **D** **G** **D** **G** **D**  
I think you know Iâ€™m crazy for you, crazy for you, crazy for you

**G** **D**  
Last time I saw you, you were radiating heat through my eyes

**G** **D**  
Last time I saw you, you smiled as you rode on by

**G** **D**  
Last time I saw you, it was your electricity in the air

**G** **D**  
I was dreaming, I was lost in the jungle of your hair

**A** **D** **G** **D**  
Ah but I think you knew, I was crazy for you, crazy for you, crazy for you

**G** **D**  
Thereâ€™s something about you I just canâ€™t put my finger on

**D**  
and when the love starts oooh

**G**  
thereâ€™s a sweetness running wild, it lights up the room

**D**  
Hold on honey, I think Iâ€™m falling for you

**A** **D** **G** **D**

I think you know Iâ€™m crazy for you, crazy for you, crazy for you
