CRAZY FOR YOU

A **E**
I think you know, Iâ€™ll write you any song you want to hear

A **E**
I think you know, how fragile my fear is

A **E**
I think you know, how easy I get blue

B **E**
I think you know Iâ€™m crazy for you

A **E**
I think you know youâ€™re an angel when you sleep

A **E**
Oh how I watch you and I wonder what youâ€™re dreaming

A **E**
See the corner of your mouth crack a smile whatâ€™s it meaning

B **E**
It means you know I â€™m crazy for you

A **E**
Thereâ€™s something about you I just canâ€™t put my finger on

E
and when the love starts ooh

A
thereâ€™s a sweetness running wild, it lights up the room

E
Hold on honey, I think Iâ€™m falling for you

B **E** **A** **E** **A** **E**
I think you know Iâ€™m crazy for you, crazy for you, crazy for you

A **E**
Last time I saw you, you were radiating heat through my eyes

A **E**
Last time I saw you, you smiled as you rode on by

A **E**
Last time I saw you, it was your electricity in the air

A **E**
I was dreaming, I was lost in the jungle of your hair

B **E** **A** **E**
Ah but I think you knew, I was crazy for you, crazy for you, crazy for you

A **E**
Thereâ€™s something about you I just canâ€™t put my finger on

E
and when the love starts ooh

A
thereâ€™s a sweetness running wild, it lights up the room

E
Hold on honey, I think Iâ€™m falling for you

B **E** **A** **E**

I think you know Iâ€™m crazy for you, crazy for you, crazy for you
