Sometimes you feel a little closer to heaven when you raise a little hell

I won t be leaving till I wear you out

Let me in, we re not getting any younger

**F#** **G#** **Fm** **G#**

You ain t got worry about the others  
They could never be this real  
And even if youâ€™re with another you ll remember how I feel

Let me in, knock me out with just one touch  
Let me in, I m not asking for too much

I know how to make you miss me  
You ll feel it when you kiss me

You ll feel it with me  
You ll feel it with me
