C C Am
Relationships, I don t know why,
Am G7

F/G G C
But the guy that says goodbye to you is out of his mind

Verso 1:

C C Am
I ve been down and I need your help, been
Am G7
feeling sorry for myself
F/G G C
Don t hesitate to boost my confidence
C C Am
I ve been lost and I need direction,
Am G7
I could use a little love protection
F/G G C
What do you say honey, you come to my defense

I ll stand up for you if its what you need, I can
take a punch, I don t mind to bleed
As long as afterwards you feel bad for me

You give me all of your attention, I got
deep desires and it needs quenchin
I think that s pretty plain for you to see

Well enough about me and more about you,
that d be the gentlemanly thing to do
I hope you like your men sweet and polite

I thought I was done with telling you,
but I ain t nearly half way through
I ve got a few more things that I d like to say to you tonight
get ready...

Verso 2:

Well you always did kind of drive me crazy, and it
pissed me off because I let it pahse me
But I never wanted my time with you to end

Now I am back in town for a day or two, and
mostly I came back just to see you,
I m leaving now but I don t want to go
