

Oblivion
Grimes

I just earballed it on my uke, works the same for the guitar.

/////Capo 5 if you like it like that/////

[no intro, dive right in yo]

C G Am

Another walk about, after dark

F C

It s my point of view

C G

If someone could break your neck

Am F

C

Coming up behind you, always coming and you d never have a clue

C G Am

And now the look behind, all the time

F C

I will wait forever,

C G

always looking straight

Am F C

Thinking, counting, all the hours you wait

C-G-Am

F C G Am

See you on a dark night

F C G Am

See you on a dark night

F C G Am

See you on a dark night

F C G Am

See you on a dark night

C G Am

And now another clue, I would ask

F C

If you could help me out

C G

It s hard to understand

Am

Cos when you re really by yourself

F C

It s hard to find someone to who understands

C **G** **Am**

And now it s good to be tough on me

F **C**

But I will wait forever

C **G**

I need someone else to look

Am

into my eyes and tell me

F **C**

Girl you know you gotta watch your health **G**

Am

To look into my eyes and tell me

F **C** **G**

La la la la la

Am

To look into my eyes and tell me

F **C** **G** **Am**

La la la la la

F **C** **G** **Am**

La la la la la

F **C** **G** **Am**

La la la la la

F-C [let **C** ring]
