I m not 100% sure on some of the lyrics as this material just recently became available.  
These chords are meant to be basic and should serve their purpose. Play Cmaj7 as 0322000

**G**  
Prove it all to me

**A**  
Check again to see

**G**  
Leave me with no words

**A**  
If you call again, it s absurd

**C** **G** **Em**  
And I know I ve made it all a lie  
**Cmaj7** **A**  
Shuffled back and forth, it s only in my eyes

**C** **G** **Em**  
And I always wanted to rescind  
**Cmaj7** **A**  
Everything I bought into, there s no name

**G**  
Fool me once, it s fair  
**A**  
The floodgates need repair

**G**  
I count on you, and why  
**A**  
is nothing there beside

**C** **G** **Em**  
And I want to hide it all away  
**Cmaj7** **A**  
Taking back all of the silly things I used to say  
**C** **G** **Em**  
And I ll give you all of my time

**Cmaj7**

**A**

Because I m foolish and never know how to resign

**C**

**G**

**Em**

Now the back and forth turn around

**Cmaj7**

**A**

One that makes no sense but it feels good anyhow

**C**

**G**

**Em**

And I ll leave it all as it should be

**Cmaj7**

**A**

Where you are you and I stay me

Outro is G
