F
But I won t kneel, no I won t kneel

I belong to all that I ve been through

C
I drove for miles in a city trance
I came to ask for a second chance

F
But I won t dance, no I won t dance

C
I came for miles on a broken wheel
I came to see whether love can heal

F
But I won t kneel, no I won t kneel

C **Bb** **F** **C**

Bb **F**
